## I. Tulane Community Health Center Updates

### Gillian Locascio

- **New building:** We are making progress on the new Health Center that will be located at Broad and Orleans. We are hoping to have it up and ready by November of next year. In the meantime, we are still located at Covenant House.
- **Fun Event:** We are working with the staff here at Sojourner Truth to hold a fun event about how to fight high blood pressure.
- No questions or comments were raised

## II. Sojourner Truth & Employment Updates

### Claudette Austin

- I am the new Wealth and Asset Development Specialist here at the Sojourner Truth

- Whether it is working on job training, getting a G.E.D., writing resumes and cover letters, interview skills, job searches, financial literacy, credit reports, personal budgets or anything else, I am here to work with you.
- There are some very exciting opportunities with I.D.A. accounts, where the government will match your savings.
- Excited to work with everyone. Please pick up the purple sheet in the back of the room that has my contact information and a list of some of things that I can help with.
- No questions or comments were raised.

### III. Lafitte Redevelopment Update

#### Cornelius Payne

- As you can see across the street, we are doing the “horizontal” work on the blocks between Rocheblave and Galvez. This means working on the gas, water and sewer lines and eventually paving streets.
- We are shooting to start “vertical” work some time in February. This is when you’ll see buildings going up.
- We talked about re-occupancy at our last meeting. We are working to finalize a document that will help to answer many of the questions you might have about the process. We will share it with you all, as soon as it is done.
- No questions or comments were raised.

### IV. Carver Theater Update

#### Dr. Eugene Oppman, Vincent Sylvain, and Morris Kahn

- Dr. Oppman, Mr. Sylvain and Mr. Kahn presented their plans for revitalizing the Carver Theater on Orleans Ave.
- Residents asked questions regarding parking, hours of operation and what sort of events would be held in the Theater
- The Carver team encouraged meeting participants to talk with them separately about any recommendations or concerns about the Theater
